Applicant Strengths & Weakness Report

#	APPLICANT NAME	TIER	HIRED	REFERRAL SOURCE
# 1.	APPLICANT NAME: Kelvin Jordan	TIER: 1	HIRED: Yes	REFERRAL SOURCE: PCC
Interviewer Name: Gail Northern				
Strengths		He's a hard worker and stays focused. Cares about precision, getting the job done right and likes to solve problems		
Weaknesses		Because he likes to get the job done right, he sometimes spreads himself too thin by trying to do too much.		
Comments		Kelvin was the only black commercial diver at the company Handon he worked for. Saw there was a ceiling he hit as the only black diver. Looking to do something else, full time or close to it offset costs for his clothing line.		
# 2.	APPLICANT NAME: Deloyde T. Nelson	TIER: 1	HIRED: No	REFERRAL SOURCE: PCC
Interviewer Name: D. Devon Ellerbe				
Strengths		Motivated, respectful, communicative, resilient.		
Weaknesses		Impatient when working and others in his team aren't carrying their weight.		
Comments		1/21/21 Shaia K. Dunn - He is ready to get back to work as soon as possible. He seems like he would be a good asset to a team.
